C. READING TEXT

Bethany Hamilton

Have you ever heard of Bethany Hamilton? Born on the island of Kauai, Hawaii, Bethany began surfing when she was five years old. **(0)** _____ Kauai is an ideal location for surfing and Bethany's older brothers, Noah and Timmy, are great surfers, too. Bethany's parents soon realized that their youngest child had a special talent. In 1998, when she was eight, Bethany took part in her first state-wide surf competition and won. From then on, Bethany's passion for riding waves never left her.

- 5
- 10 On October 31, 2003, Bethany's life changed dramatically. While surfing near Kauai's North Shore she was attacked by a 15-foot tiger shark and lost her left arm. It looked as if the career of a rising US surf star was suddenly over.

- 15 But it wasn't over. Bethany recovered quickly – both physically and mentally. Her love of surfing, her positive attitude to life and her faith in God made her strong. At the end of November, only 3 weeks after the attack, she returned to the water. **(1)** _____ “I was more scared that I wouldn't be able to surf again than I was of a shark,” Bethany explains.

- 20 In 2004 Bethany continued training hard and started to take part in surf competitions again. Just over a year after the attack she won the Explorer Women's division of the 2005 National Scholastic Surfing Association National Championships. It was her first US national title. In 2007 Bethany's dream came true: she became a professional surfer. Since then surfing competitions have taken her to South America, South Africa, Europe, Asia and Australia. **(2)** _____ Her greatest success so far has been a second place in the ASP (Association of Surfing Professionals) 2009 World Junior Championships.

- 25 Bethany is not only a star in the water. **(3)** _____ She has written an autobiography – a *New York Times* bestseller. There has been a documentary about her on TV and last year a Hollywood movie was made about her: in *Soul Surfer* Bethany is played by the US actress Anna Sophia Robb. Bethany often gives interviews to journalists and television networks. She tells her inspiring story at schools, colleges and churches. With her family, she started a foundation. *Friends of Bethany* (www.friendsofbethany.com) is a non-profit organization that supports shark attack survivors and other amputees worldwide.

- 35 Bethany has come a long way since 2003 – from a teenage girl who wanted to be a professional surfer to a 21-year-old professional surfer who is an idol of inspiration and hope. **(4)** _____ This is what she has to say to young people: “Do your best in life, find the good in bad situations, be kind to others and try not to be too cool!”
